Specialty Programs and Market Solutions

Designed to help agents and brokers win

REV. 07.13.26

programs summaries

Programs available to all producers

IGP Specialty delivers tailored insurance solutions for niche markets on behalf of clients, brokers and agents. Backed by decades of expertise in specialized industries, our programs pair experienced underwriters with dedicated service teams to provide responsive, cost-effective coverage. With more than 20 industry-specific programs, we meet diverse needs that standard carriers often can't address — helping our partners compete and win in their markets.

BUILDER'S RISK

Commercial and residential property coverage for new ground-up projects during the course of construction, for all construction and protection classes, nationwide. Coverage options include CAT coverage, with quota-share capacity provided on a competitive Builder's Risk Participation Policy.
